

DUNES COMMUNITY DEVELOPMENT DISTRICT EXPRESSCARD PROGRAM

WHAT IS THE EXPRESSCARD PROGRAM?

The Dunes Community Development District ExpressCard is a prepaid user account which allows the account holder quick and convenient use of the Hammock Dunes Intracoastal Waterway toll bridge. Tolls are paid by laser scanning a decal or ExpressCard coded to the user's prepaid account. The applicable toll is then deducted from that account balance.

WHY SHOULD YOU HAVE AN EXPRESSCARD?

As a District ExpressCard holder you gain free additional usage and you receive special benefits.

- **FREE ADDITIONAL USAGE.** You will receive a reduced rate. **See Terms and Conditions for discount information.*
- **TIME-SAVING CONVENIENCE.** You'll save time with every use of your ExpressCard. No looking for money or waiting for change. Just let the toll booth attendant laser-scan your ExpressCard or bar-coded vehicle decal.
- **NO FEES TO PAY.** Your money is all yours to use. There is no charge for setting up your ExpressCard account and no monthly or annual fee for maintaining it.
- **FREE ADDITIONAL ExpressCards** for the persons or vehicles of your choice. For example, every member of your family or business can have a free individually bar-coded ExpressCard which enables each to use the bridge any time. His or her passages will be deducted from your ExpressCard account.
- **FREE BAR-CODED VEHICLE DECALS.** With an ExpressCard account you can have each vehicle in your family or fleet equipped with a specially coded window decal. With a decal properly displayed in the window of your vehicle, the attendant can laser scan it and you're on your way. You don't even need to show your ExpressCard.
- **DETAILED PRINTOUT OF YOUR ACCOUNT.** You can obtain a detailed activity printout showing your current balance and exactly when and by whom your ExpressCard account was used over a given period of time. You need only ask for it at the bridge office. For the protection of your privacy, toll booth attendants cannot generate this printout.

HOW DOES THE EXPRESSCARD WORK?

The Dunes Community Development District ExpressCard works on a prepay account system. You determine the amount you wish to have available in your ExpressCard account. \$20 is the minimum for prepayment. Each time your ExpressCard is used, the toll amount is deducted by computer from the prepaid total in your ExpressCard account. When the remaining balance in your account reaches a predetermined "low-balance" amount, the Automatic Renewal Plan, if chosen, transfers funds back into your account for uninterrupted use of your ExpressCard. This increase will be charged to your credit card on file. Each ExpressCard holder will have his/her individual identification code assigned into the computer recognition and accounting system.

- **CONVENIENT AUTOMATIC RENEWAL.** Your ExpressCard account will automatically be replenished (using your credit card on file) by the amount you predetermine (\$20 minimum) whenever your ExpressCard account reaches a "low balance" amount of \$2.50. With the Automatic Renewal Plan you should never get caught short of money at the bridge.
- **OPTIONAL CASH PREPAID PLAN.** If you choose not to take advantage of the Automatic Renewal Plan, you may open a District ExpressCard account with cash, check or credit card prepayment. When your account falls below \$2.50, the yellow light on the toll booth will flash indicating additional funds will be required to keep the account active. You may leave a check (please write your ExpressCard number on it) with a toll collector. Cash and credit card payments must be made in the office.

HOW LONG IS AN EXPRESSCARD GOOD FOR?

The District ExpressCard is designed as a convenience to frequent users. Any balance in your ExpressCard remains accessible as long as your account is active. Your ExpressCard account will remain active as long as your ExpressCard is used at least once each year.

HOW DO YOU OBTAIN AN EXPRESSCARD ACCOUNT?

To obtain a District ExpressCard Account, simply complete the application and either drop it off at, or mail it to, the District office. The office is located adjacent to the toll plaza at 5000 Palm Coast Parkway SE, Palm Coast, FL 32137. Or you may leave the completed application with a toll booth attendant at that time. It will be processed within 24 business hours and your cards may be picked up at the office between 8:30 a.m.- 1:30 p.m. and 2:30p.m. - 4:30 p.m., Monday-Friday (except holidays). When your ExpressCard is issued, the bridge manager or assistant manager will show you how it works.
