A.

MINUTES OF MEETING DUNES COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Dunes Community Development District was held Friday, August 13, 2021, at 9:30 a.m. at the Dunes Administrative Office, 101 Jungle Hut Road, Palm Coast, Florida.

Present and constituting a quorum were:

George DeGovanni Chairman

Gary Crahan Vice Chairman (via Zoom)

Rich DeMatteis Assistant Secretary
Charles Swinburn Assistant Secretary

Dennis Vohs Treasurer

Also present were:

Greg Peugh District Manager
Ernesto Torres District Representative
Michael Chiumento District Counsel

Dave Ponitz District Engineer (via Zoom)
Sandy Ausbrooks Bridge Manager (via Zoom)

The following is a summary of the discussions and actions taken at the August 13, 2021 meeting. An audio copy of the proceedings can be obtained by contacting the District Representative.

FIRST ORDER OF BUSINESS Roll Call

Mr. Torres called the meeting to order at 9:30 a.m.

SECOND ORDER OF BUSINESS Minutes

A. Approval of the Minutes of the July 9, 2021 Meeting

There were no comments on the minutes.

On MOTION by Mr. Vohs seconded by Mr. Swinburn with all in favor the minutes of the July 9, 2021 meeting were approved as presented.

THIRD ORDER OF BUSINESS

Audience Comments

There were no members of the public present.

FOURTH ORDER OF BUSINESS

Public Hearing to Adopt the Budgets for Fiscal Year 2022

On MOTION by Mr. Vohs seconded by Mr. Swinburn with all in favor the public hearing was opened.

B. Fiscal Year 2022 Budget

Mr. Peugh gave an overview of the budget. Approximately \$306,000 will be transferred from the bridge fund to the general fund. General fund expenditures are up about \$7,000. For the water and sewer fund, revenues are up slightly from last year and expenditures are down about \$108,000. The capital reserve contribution increased approximately \$110,000. The bridge fund revenues are projected at the same level as last year and expenditures are up \$88,000, largely due to salary increases.

C. Resolution 2021-06, Approving the Transfer of Funds from the Bridge, Water & Sewer Funds and General Fund Surplus to the General Fund for FY 2022

On MOTION by Mr. Vohs seconded by Mr. DeMatteis with all in favor resolution 2021-06 was approved.

D. Resolution 2021-07, Adopting the General Fund Budget for FY 2022

On MOTION by Mr. DeMatteis seconded by Mr. Vohs with all in favor resolution 2021-07 was approved.

E. Resolution 2021-08, Levying Assessments for FY2022

On MOTION by Mr. DeMatteis seconded by Mr. Vohs with all in favor resolution 2021-08 was approved.

F. Resolution 2021-09, Adopting the Water & Sewer Fund Budget for FY 2022

On MOTION by Mr. Vohs seconded by Mr. DeMatteis with all in favor resolution 2021-09 was approved.

G. Resolution 2021-10, Adopting the Bridge Fund Budget for FY 2022

On MOTION by Mr. DeMatteis seconded by Mr. Swinburn with all in favor resolution 2021-10 was approved.

H. Resolution 2021-11, Adopting the Section 125 Cafeteria Plan

On MOTION by Mr. DeMatteis seconded by Mr. Vohs with all in favor resolution 2021-11 was approved.

On MOTION by Mr. Vohs seconded by Mr. Swinburn with all in favor the public hearing was closed.

On MOTION by Mr. Vohs seconded by Mr. Swinburn with all in favor proceeding with the regular Board of Supervisors meeting was approved.

FIFTH ORDER OF BUSIUNESS

Reports and Discussion Items

MalaCompra Drainage Discussion

Mr. Peugh informed the Board the County is still awaiting approval of a permit for gopher tortoise relocation before the cleanup of the MalaCompra drainage ditch can begin.

Discussion on Capacity Fee Issues for Commercial Accounts

Mr. Peugh informed the Board the Hammock Beach Resort is still operating within their allowable water consumption capacity.

Discussion on Stormwater Utility / Reclaimed Flow

Mr. Peugh reminded the Board the venue for the August 16th workshop to discuss the stormwater utility has been changed to the Ocean View Room at the Atlantic Grill Lodge due to the number of RSVPs received and concerns for COVID safety. He also stated that he attended an Island Estates Owner's Association meeting on August 2nd to answer questions about the stormwater utility. He explained Island Estates owners are only subject to a \$5 maintenance fee due to there being no lakes within the community, however they asked if they were able to opt out

and take over maintenance responsibility of the seven easements. The Board is not in favor of allowing Island Estates to opt out of the maintenance fee.

Mr. Peugh informed the Board a contractor will be brought in on August 25th to test the flow and pressure of Palm Coast's reclaimed transmission pump.

Oasis / Beach Walk / Lennar Homes Development Update

Mr. Peugh informed the Board Oasis has provided plans which District staff are reviewing. They have asked the District to accept the stormwater for the development. Lennar Homes has asked for the same. Beach Walk has not yet commenced construction of any homes.

Investment Update

Mr. Peugh is continuing to try to find a firm able to provide alternative options for investing funds to increase interest revenues. However, he noted the interest rate has increased since last month.

I. Discussion Regarding Bridge Rating and 2021 Inspection Report

Mr. Peugh informed the Board the only minor issue mentioned by the contractor Kisinger Campo was that there is a little more spalling since the last inspection report was created in 2019, so those issues will be fixed. The bridge was noted to be in good condition but is beginning to show its age. Mr. Crahan asked that Mr. Peugh distribute a flyer to educate residents on the condition of the bridge and how the bridge funds are used for maintenance.

SIXTH ORDER OF BUSINESS Staff Reports

Attorney

Following up on a demand made prior to the previous meeting by a homeowner that the District address erosion issues, Mr. Chiumento informed the Board that he replied to the homeowner stating that the District is responsible for the lake as it is in the plats and asked for a survey showing the boundary of the lot and supporting information to their claims. The District's policy has been to not get involved with fixing lake banks. Mr. DeGovanni directed staff to prepare

4

a letter for future reference that informs anyone that asks that the District does not repair lake banks.

J. Engineer - Report

Mr. Ponitz gave an overview of the engineer's report, a copy of which was included in the agenda package.

Manager

K. Bridge Report for July

Mr. Peugh informed the Board vehicle trips were up 8% and revenue was up about 10% from last year. There are 19,880 bridge pass accounts, 9,500 loyalty cards, 8,500 online users, and 5,200 credit card users at the toll both.

L. Additional Budget Items Report

There were no additional budget items to report.

Miscellaneous Items

Mr. Peugh asked for the Board's consent to send a letter to the County requesting that signs not be allowed to be placed within the right of ways along the Parkway. There were no objections from the Board.

SEVENTH ORDER OF BUSINESS Supervisors' Requests and Audience Comments

There being none, the next item followed.

EIGHTH ORDER OF BUSINESS Financial Reports

- M. Balance Sheet & Income Statement
- N. Assessment Receipts Schedule
- O. Community Projects Schedule
- P. Approval of Check Register

Mr. Peugh noted there was an error in the financials under the bridge fund in which it appeared there was a negative number for salaries, so that has been revised.

On MOTION by Mr. DeMatteis seconded by Mr. Vohs with all in favor the check register was approved.

The Board discussed Mr. Peugh's performance.

NINTH ORDER OF BUSINESS

Next Scheduled Meetings: Workshop on August 16, 2021 at 10:00 a.m. at the Atlantic Grill Lode, 105 16th Road E., Palm Coast, Florida and Regular Board of Supervisors Meeting on September 10, 2021 at 9:30 a.m. at the Dunes Administrative Office, 101 Jungle Hut Road, Palm Coast, Florida

TENTH ORDER OF BUSINESS

Adjournment

On MOTION by Mr. Vohs seconded by Mr. DeMatties with all in favor the meeting was adjourned.

|-------------------------------|------------------------|

CHAPTER IV STORMWTER UTILITY SERVICE

4.01 PURPOSE. The purpose of these Rules is to establish a dedicated revenue for stormwater management services within the Dunes Community Development District ("District"); providing definitions; providing for and establishing rates, fees and charges for utility service; providing for adjustments; and providing an effective date. The revenue collected will support the District's management and operation of the stormwater drainage system, including the system of storm and surface water management facilities, inlets, conduits, pipes, manholes, channels, ditches, drainage easements, retention and detention basins, infiltration facilities, and natural waterways. For the purpose of this chapter, Yacht Harbor will not receive charges as the District does not perform stormwater services within this community. Additionally, only administrative fees will be charged for Island Estates as the District's responsibility for stormwater services within Island Estates is limited and not typical of the rest of the District. Nothing in these Rules shall prohibit the District from charging fees to areas outside the boundaries of the District that drain to the District's Stormwater Management

4.02 NECESSITY. To establish uniform regulations pertaining to service charges related to the stormwater management system owned and operated by the District. Without proper long-term funding of the stormwater management system, the District will experience increased risk of system failure in the future which can impact public health and safety and increase long-range repair/replacement costs.

System.

PART I

GENERAL PROVISIONS AND DEFINITIONS APPLICABLE TO THE DUNES COMMUNITY DEVELOPMENT DISTRICT STORMWATER UTILITY SYSTEM

| SECTION 1. | The District does hereby establish uniform policies and comprehensive |
|-----------------------|---|
| rates, fees, charges, | and service schedules for its stormwater utility system affecting all consum- |
| ers thereof. | |

| ers thereor. | |
|--------------|---|
| SECTION 2. | FINDINGS |
| SECTION 3. | ABBREVIATIONS AND DEFINITIONS |
| SECTION 4. | DUTIES AND POWERS OF THE DISTRICT MANAGER |
| SECTION 5. | STORMWATER MANAGEMENT UTILITY ENTERPRISE FUND ACCOUNT |
| SECTION 6. | STORMWATER MANAGEMENT UTILITY FEES |
| SECTION 7. | BILLING AND ENFORCEMENT |

SCHEDULE "D" RATE SCHEDULE

SECTION 2. FINDINGS: The Board of Supervisors finds as follows:

- A. That the District maintains a system of storm and surface water management facilities, inlets, conduits, pipes, manholes, channels, ditches, drainage easements, retention and detention basins, infiltration facilities, and natural waterways; and
- B. That those elements of the District storm and surface water management system that provide for the collection, storage, treatment, and conveyance of stormwater benefit and provide services to all developed property within the District; and
- C. That the cost of operating and maintaining the stormwater management system and the financing of existing and future repairs, replacements, improvements, and extensions thereof should, to the extent practicable, be allocated in relationship to the contribution to the need for services; and
- D. That the stormwater management system requires scheduled maintenance, rehabilitation and replacement; and
- E. That real property either uses or benefits from the presence and operation of a stormwater management system; and
- F. That the use of the stormwater management system is dependent on land use, impervious area and other factors that influence runoff; and
- G. That Florida local governments have authority to establish a stormwater management utility (SMU) pursuant to the home rule powers provided in the Florida Constitution and Florida Statutes.

SECTION 3. ABBREVIATIONS AND DEFINITIONS: The following terms and phrases, when used herein, shall have the meaning ascribed to them in this Section, except where the context clearly indicates a different meaning. Words used in the present terms shall include

the future, and the singular number includes the plural, and the plural the singular.

- 3.1 <u>CONSTRUCTION ACTIVITY:</u> Construction activity means any on-site activity which will result in the creation of a new stormwater discharge, including the building, assembling, expansion, modification or alteration of the existing contours of the site, the erection of buildings or other structures, or any part thereof, or land clearing.
- 3.2 DEVELOPED REAL PROPERTY: Developed real property means the condition of property altered from its natural state by the addition to or construction on such property of impervious ground cover or other manmade physical improvements such that the hydrology of the property or portion thereof is affected.

3.3 <u>DWELLING UNIT:</u> Dwelling unit means a structure or the part of a structure that is used as a home, residence, or sleeping place, including but not limited to, a single-family homes, town homes, and condominiums.

3.4 EQUIVALENT RESIDENTIAL UNIT (ERU): ERU means the statistical median impervious area of residential developed property per dwelling unit within the District. The numerical value of one (1) ERU shall be three thousand three hundred twenty (3,320) impervious square feet.

- 3.5 <u>F.A.C.</u>: Stands for the Florida Administrative Code.
- 3.6 F.S.: Stands for Florida Statutes.

3.7 IMPERVIOUS AREA: Impervious area means any part of any parcel of land that has been modified by the action of persons to reduce the land's natural ability to absorb and hold rainfall including areas that have been cleared, graded, paved, graveled or compacted, or covered with structures and excluding all lawns, landscape areas, water and other areas designated by the District Manager or his designee.

Deleted: 3

Deleted: 4

Deleted: 5

Deleted: 6

| 3.8 NONRESIDENTIAL PROPERTY: Nonresidential property means all property Deleted: 7 |
|--|
| zoned or used for commercial, industrial, retail, governmental or other nonresidential purposes |
| and all developed real property in the District not classified as residential property as defined in |
| this <u>chapter</u> . |
| A COUNTRY OF THE STATE OF THE S |
| 3.9 PERSON: Person means any individual, association, organization, partnership, Deleted: 8 |
| firm, corporation or other entity recognized by law and acting as either the owner or as the |
| owner's agent. |
| 3 10 PREMISES: Premises means any building, lot, parcel of land or portion of land |
| whether improved or unimproved including adjacent sidewalks and parking strips. |
| |
| 3.11 RESIDENTIAL PROPERTY: Residential property means all single-family |
| detached residential dwelling structures, single-family attached dwelling structures and |
| condominium units. |
| 3.12, STORMWATER: Stormwater means any surface flow, runoff and drainage Deleted: 1 |
| consisting entirely of water from any form of natural precipitation and resulting from such |
| precipitation. |
| 3.13. STORMWATER MANAGEMENT SYSTEM: Stormwater management system Deleted: 2 |
| |
| means all natural and manmade elements used to convey stormwater from the first point of |
| impact with the surface of the earth to a suitable outlet either inside or outside the District. The |
| stormwater management system includes all pipes, channels, streams, ditches, wetlands, |
| sinkholes, detention and retention basins, ponds, and other stormwater conveyance and treatment |
| facilities, whether public or private. The District assumes no responsibility above Elevation 4.0 |
| in the lake system for any activities whatsoever. The District does not own or maintain any lake |
| hanks above this elevation. These lands located above Flevation 4.0 are the sole responsibility. |

of the Jandowner.

Deleted: adjacent

Deleted: 3

3.14 STORMWATER MANAGEMENT UTILITY FEE: Stormwater management utility fee means the dollar value periodically determined and assigned to each ERU as a charge for stormwater services and expressed as a dollar value per ERU per month.

SECTION 4. DUTIES AND POWERS OF THE DISTRICT MANAGER OR

<u>DESIGNEE</u>: The District Manager or Designee has the following authority:

- A. To prepare plans and designs for improvements to the District stormwater management system.
- B. To construct improvements to the District stormwater management system.
- C. To promulgate regulations for the use of the District stormwater management system and provisions to enforce such regulations.
- D. To perform routine maintenance and minor improvements to the District stormwater management system.
- E. To evaluate the quality of water being discharged to the District stormwater management system.
- F. To fund staff and special consultants; contract for services; purchase or lease property or rights to property; construct facilities, and perform utility functions related to the construction, operation and maintenance of the District stormwater management system.

SECTION 5. STORMWATER MANAGEMENT UTILITY ENTERPRISE FUND

ACCOUNT: A stormwater management utility enterprise fund account shall be managed and tracked in the District general ledger into which all revenues from stormwater management

utility fees, connection charges, grants and other funding sources are deposited and from which all expenses for the stormwater management utility are paid.

SECTION 6. STORMWATER MANAGEMENT UTILITY FEES:

- A. Determination of Equivalent Residential Unit (ERU): For the purposes of this chapter, an equivalent residential unit (ERU) shall be equivalent to 3,320 square feet of impervious area per dwelling unit.
 - 1. The fee for residential developed property (which includes both single-family and condominium properties) is the rate for one (1) ERU multiplied by the number of dwelling units existing on the Premises, (i.e., Fee = ERU × number of dwelling units).
 - 2. The fee for nonresidential property is the rate for one (1) ERU multiplied by the numerical factor. The numerical factor is obtained by dividing the total impervious area in square feet of the nonresidential property by the square footage for one (1) ERU, as set forth in Section 42. The resulting calculation is Fee = ERU rate X (parcel impervious area expressed in square feet divided by the square footage for one (1) ERU).
- B. Monthly Rates: The stormwater management utility fee to be applied to residential and nonresidential properties shall be established via resolution and listed in Rate Schedule D. Rates may vary by service district or neighborhood depending on services received by the District.
- C. Exemptions and Credits:
 - Except as provided in this section or as exempted by applicable law, no
 public or private property located in the District shall be exempt from
 stormwater management utility fees nor shall any public or private

Deleted: article

property be exempt to receive a credit or offset against such stormwater management utility fees. No exemption, credit, offset or other reduction in stormwater management utility fees shall be granted based on the tax status, economic status, race, religion, age or sex of the owner of the property being served or based on any other condition unrelated to the provision of stormwater management systems and facilities.

- Roadways shall be exempt from stormwater management utility fees.
 Private driveways are not considered roadways and are not exempt.
- 3. Credits. A feepayer may obtain credit against a portion of the monthly stormwater management utility fee by the construction and maintenance of permitted onsite stormwater retention facilities serving the property for which credit is sought or by demonstrating that the properties are not contributing stormwater runoff to or benefitting from the District stormwater management system. Available credits are described in the District's Policies and Procedures Manual
- 4. Appeals. The District Manager or Designee shall develop a Policies and Procedures Manual for the purpose of reviewing applications for credits, adjusting fees and hearing and resolving appeals related to this chapter.

Deleted: article

SECTION 7. BILLING AND ENFORCEMENT:

- A. Stormwater management service charges will be billed on the regular monthly utility bill received by customers of the District.
- B. Billing to a property will be initiated in the month following issuance of the Certificate of Occupancy on the property.
- C. Stormwater management service charges are billed and collected by the District

as a designated and separate item from other utility charges. However, in the

event that stormwater management service charges are not paid, the District

Manager or Designee may provide for the discontinuance of water, wastewater or

reclaimed water utility service to stormwater users who fail or refuse to pay

stormwater user fees, including the right not to accept payment of the water utility

bill from any user without receiving at the same time payment of any stormwater

fees owed by such user and not to re-establish utility services until such time as

all past due stormwater fees owed by such user have been paid.

D. Property owners are ultimately responsible and liable for payments for developed

real property and will be billed individually for stormwater management service

charges if no other District utility services are provided to the premises. Nothing

in this section shall be interpreted as prohibiting property owners from passing

these costs to tenants.

Notice of Meeting Dates Dunes Community Development District Fiscal Year 2022

The Board of Supervisors of the Dunes Community Development District will hold their meetings for Fiscal Year 2021 at the Dunes CDD Administrative Office, 101 Jungle Hut Road, Palm Coast, Florida at 9:30 a.m. on the second Friday of each month as follows (**except as noted**):

October 8, 2021

November 19, 2021

December 10, 2021

January 14, 2022

February 11, 2022

March 11, 2022

April 8, 2022

May 13, 2022

June 10, 2022

July 8, 2022

August 12, 2022

September 9, 2022

Gregory L. Peugh
District Manager
Dunes Community Development District

Notice of Meeting Dates FY 2022.doc

Engineer Report

HD Parkway - ICWW Bridge - Repair Plans

Kisinger, Campo and Associates (KCA) performed required biennial inspections of the Hammock Dunes Bridge in 2017 and 2019. Inspection results indicated acceptable Sufficiency Ratings and Health Indices with little to no change between 2017-2019. The inspection results also indicated further items for repair.

Bi-Annual (2021) Bridge Inspection activities were also completed the week of May 26, 2021, by KCABI and final report was prepared and forwarded by bridge inspector/ engineer on July 13, 2021. Inspection results indicated acceptable Sufficiency Rating of 87.3 (previous report 91.1) and Health Index of 98.6 (previous report 98.8) with no appreciable change noted between 2019-2021. The bridge deck and superstructure received good ratings and the substructure received a satisfactory rating for overall performance rating as good. Report findings also conclude there is no indication that deterioration, geometric changes, or additional dead load have occurred that would warrant the requirement of a new or updated load rating analysis.

Final plans and bid documents were completed with costs estimated by the Engineer at \$ 1.131 Million. In October 2020, the Board approved a contract award to lowest gualified bidder, Sieg & Ambachtsheer, DeLand, FL, in the amount of \$824,950. The Board also approved an engineering proposal from KCA/ Kissinger Campo Construction Services (KCCS) for Construction Engineering and Inspection (CEI) Services for project oversight in the amount of \$90,285. A preconstruction conference was held on November 4, 2020 and a Notice to Proceed date of February 8, 2021 was established with the Contractor. The Engineer approved the Contractor's Project Work Schedule illustrating the project is anticipated to be substantially complete by late July 2021. Change Order 1 was issued on July 14. 2021, in the amount of \$10,000 for additional work and time (30 days) related to cathodic protection continuity due to epoxy coated reinforcing steel being used in original construction. The Engineer and District authorized Pay Application No. 4 in the amount of \$181,794 for work completed during period to include maintenance of traffic, cathodic protection, and restoration of spalled concrete areas on structure. The project is approximately 60% complete.

Standby, Emergency Pumps

This is a multi-year budgeted project for provision of additional emergency backup pumping equipment to maintain sewer service to our customers during extended power outage periods. Priority 1 & 2 Facilities completed.

Priority 3 Facilities (2019-20): Lift Station (LS) -10, 34 Island Estates and LS-15, Ocean Way S: Status: Final walk through with consultant and staff held on June 2. Received Operation & Maintenance Manual from Contractor/ Pump Supplier. Awaiting receipt of record drawings and final pay request for project closeout.

Priority 4 Facilities (2020-21): LS-16, Ocean Way N Status: Quotations received from three (3) interested contractors ranging from \$47,245 to \$61,000. A purchase order was issued to RCM Utilities, LLC located in Eustis, FL in the amount of \$47,245. Contractor mobilized and completed work during the first week of August. Pump start-up was successful and occurred on August 25, 2021, with contractor, engineer, pump supplier and utility staff attending. A final punch list was prepared by Engineer and forwarded to Contractor. Project closeout items pending include final pay request, release of liens, warranty, and preparation of record drawings.

WTP Reverse Osmosis (RO) Membrane Evaluation - Replacement

The current water treatment plant RO Skids 1 & 2 have been in operation since 2007. These older two (2) skids are illustrating signs of wear and a lessened capacity to efficiently process water compared to previous periods. An engineering evaluation of various membrane manufacturer products was performed. RFP was issued on March 15, 2021, to select membrane manufacturer / installer teams for membrane manufacturer/ installer team interest, pricing, and qualifications. Two (2) proposals were received. Staff issued purchase order to highest ranked proposer, Aerex Industries, Inc., in the amount of \$138,000. Aerex representatives visited site and prepared necessary project submittals for approval. Toray brand membranes were delivered to WTP site on July 13, 2021. Membrane removal and installation activities for Skids 1 & 2 began shortly after and were completed on July 23, 2021. Bacteriological testing was successfully completed. New membranes are in operation with normalization records and water quality testing completed. Final payment in the amount of \$138,000 was issued to the vendor.

Stormwater Utility Program Development & Implementation

A project kick-off meeting was held with staff and consultant team (CDM Smith) on February 26, 2020 to discuss project goals and to better familiarize their understanding of the District's overall stormwater system configuration, available mapping and records resources and other information concerning the District's utility billing system and processing procedures. CDM continues to update the stormwater atlas and database with additional information provided by staff. Virtual meeting held with consultant on January 13, 2021 for review of stormwater system program considerations scheduled for presentation to the Board in February 2021. Virtual meeting held with consultant and attorney on May 28, 2021, for review of draft stormwater rule, rate schedule and frequently asked questions flyer for proposed stormwater utility program. Proposed Chapter 4 Stormwater Rules were presented to Board of Supervisors on June 11, 2021. The Board provided suggested rule revisions. A customer flyer is being developed to share program information with homeowner associations, customers, and community in upcoming months. A workshop was held August 16 at the Ocean View Room at Atlantic Grill Lodge where CDM Smith, District Manager and select Board Members presented the District's stormwater utility and program to interested community residents.

Hammock Dunes Bridge Toll Facility Improvements

Contractor Pay Application Request No. 7 in the amount of \$36,500 was approved. Base Bid portion of project (Generator & Fuel Tank Removal/ Replacement/ Start-up) is 100% complete. A Notice to Proceed was issued to the Contractor on 1/4/2021 for the Additive Alternate Bid portion (Building & Site Renovations). The Contractor provided a preliminary project schedule with tentative project substantial completion to occur (1/22). Contractor received Building Permit issued by Flagler Co. on March 5, 2021. The Contractor provided an updated project schedule with tentative project substantial completion to occur (4/22). Received and authorized Pay Request No. 8 in the amount of \$15,778. The project is approximately 20% complete.

WTP Risk & Resilience (R&R) Assessments / Emergency Response Plans

The America's Water Infrastructure Act (AWIA) of 2018 requires community potable water utilities serving populations greater than 3,300 to complete and submit certifications for Risk & Resilience Assessments (RRAs) and Emergency Response Plans (ERPs). AWIA certifications are to be submitted to the United States Environmental Protection Agency (EPA). Dunes Community Development District (Dunes CDD) owns and operates a community water system (CWS) serving a population of greater than 3,300 and is therefore required to complete an RRA. The RRA deadline for Dunes CDD Utility Division is June 30, 2021 with subsequent certification of Emergency Response Plan due six (6) months afterward.

Consultant (Mead & Hunt) prepared - Technical Memorandum (TM) along with the AWIA Small System RRA Checklist and Spreadsheet provided on March 16, 2021. Staff recently responded to correspondence received from the FDEP confirming that the required R&R Assessment activity is on schedule and completed the on-line EPA Certification on June 16, 2021, as required. Awaiting receipt of final R&R Assessment report and executive summary along with draft Emergency Response Plans for various priority risk arenas determined during the assessment. Meeting held with consultant Thursday September 2, 2021, to discuss and coordinate remaining deliverables.

Water/ Wastewater/ Consumptive Use Permit Regulatory Activities

Annual sampling and testing of WTP RO concentrate was performed and results were in compliance with regulatory limits.

Inspection of Tier II Hazardous Materials Program was scheduled and performed by Flagler County Fire Chief at the DCDD Treatment Facilities – no deficiencies noted.

Proof of Publication for required News Journal advertisement of Dunes CDD WWTF Permit Revision for capacity rating increase to 0.92 MGD forwarded to FDEP.

Re: Construction Engineering Services for

Bridge Repair - Bridge 734071

Flagler County

Hammock Dunes Parkway over Intracoastal Waterway and A1A

Dear Mr. Peugh:

We are pleased to submit this proposal for supplemental engineering services for of the above referenced project. The scope of services for this task will match that of the original proposal dated September 24, 2020. :

1. NEED FOR SUPPLEMENTAL SERVICES

The Consultant's original fee has been exhausted and a supplemental is being requested for multiple reasons as listed below:

- Additional scope was added for over 6 cubic feet of superstructure concrete repairs as a
 result of the 2021 Bridge Inspection Report. KCA's inspector worked with the contractor
 to add this to the contract and verify the work be performed properly. Superstructure
 concrete repair is more time intensive due to access than substructure work.
- Construction contract scope was added to replace an additional 5 beam bearings due to continued deterioration observed. KCA will use additional time to ensure this work is performed per the contract scope.
- Additional Cathodic protection work in the substructure due to the epoxy coated steel
 present. Epoxy coated steel eliminates continuity between the reinforcing steel cage
 within the piers. Therefore, additional drill holes and electric continuity connections were
 required. As this was the largest part of the scope of work, and should provide continued
 life to the structure, oversight was needed.
- The contractor requested a time extension of 30 days, which was granted. KCA's original scope was based on the original timeline for the project.
- Early in the contract, KCA's inspectors observed the contractor utilizing some means and methods that were shortcuts to completing the work. In order to maintain the integrity of the proposed repairs and the contract, the Engineer directed the inspector to ensure his presence during all stages of these critical repairs, thus securing the desired outcome of the work being performed in accordance with the contract plans and specifications. This increased level of oversight led to ahigher billing rate than was originally anticipated.
- KCA's construction budget provided to the DCDD prior to the contract bid letting was \$1.1 million. Adding the cost of construction (with all changes) and KCA's construction engineering inspection (including this supplemental request) will bring the grand total for the project to just under \$950,000.

2. COST MANAGEMENT

The Consultant shall perform services for the remainder of the construction project part-time to mitigate cost increases, limiting inspection time to approximately 20 hours per week and engineering and oversight time to 5 hours per week.

3. BEGINNING AND LENGTH OF SERVICES

The above outlined services will continue as the project is ongoing and be completed upon final project acceptance.

4. **COMPENSATION**

Compensation for the previously described services shall be a lump sum amount of \$29,959.50 in accordance with the attached Summary Fee Sheet.

Sincerely,

Samuel L. Cullum, PE Project Manager

Justification for request for additional funding

- Site Inspection: level of project oversite was more than anticipated based on Contractor activities performed. Contract required more interaction to ensure that the work performed was done per Plan and Specifications
- 2. Additional repair work was performed as a result of the 5/26/21 bridge inspection
- 3. Additional cathodic protection work performed due to the existence of epoxy coated steel
- 4. Contract Time Extension granted of +30 days (4 additional work weeks)
