A.

MINUTES OF MEETING DUNES COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Dunes Community Development District was held Friday, May 12, 2023, at 9:30 a.m. at the Dunes Administrative Office, 101 Jungle Hut Road, Palm Coast, Florida.

Present and constituting a quorum were:

George DeGovanni
Gary Crahan
Kevin Porter
Dennis Vohs
Chairman
Vice Chairman
Assistant Secretary
Treasurer

Also present were:

Greg Peugh District Manager
Daniel Laughlin District Representative

Michael Chiumento District Counsel

Dave Ponitz District Utilities Manager

Darrin Mossing GMS (By Zoom)
Richard Hamilton Island Estates

The following is a summary of the discussions and actions taken at the May 12, 2023 meeting.

FIRST ORDER OF BUSINESS Roll Call

Mr. Laughlin called the meeting to order at 9:30 a.m.

SECOND ORDER OF BUSINESS Minutes

A. Approval of the Minutes of the April 14, 2023 Meeting

Mr. Crahan provided corrections to the minutes, which will be included in the final version.

On MOTION by Mr. Crahan seconded by Mr. Vohs with all in favor the minutes of the April 14, 2023 meeting were approved as revised.

THIRD ORDER OF BUSINESS Audience Comments

There being no comments, the next item followed.

FOURTH ORDER OF BUSINESS Reports and Discussion Items

Discussion of Reclaimed Line Replacement

Mr. Peugh stated that the temporary reclaimed line is in place, however the ground eroded quicker than anticipated. In the short term, the HDOA is moving sand underneath the pipe. The County engineer has indicated that dunes restoration sand is scheduled to be installed beginning on June 6th or 7th.

Discussion of Toll Booth Project

Mr. Peugh informed the Board that mediation with the toll booth contractor is scheduled for May 17th. Mr. DeGovanni will attend on behalf of the District.

Discussion on Capacity Fee Issues for Commercial Accounts

Mr. Peugh reported that the Hammock Beach Resort was under their water consumption capacity allowance last month. A preliminary review of the commercial accounts has been done and so far, it appears seven or eight are over capacity. Staff will update the Board at the next meeting. Regarding the residential accounts, 26 letters were mailed out to those that were over capacity and two were charged and paid additional capacity charges.

Discussion of European Village Lease

Mr. Peugh informed the Board the \$7,000 owed by the European Village Commercial Owner's Association has been paid, however they still need to provide proof of insurance. He also asked the Board what they would like to set as the fee for the contract for the next year and noted there would be one contract rather than two between the commercial and residential associations.

The consensus of the Board was to charge \$20,000 for the 2024 contract. If proof of insurance is not provided in the next 30 days, the fee will increase to \$25,000. If both proof of insurance and payment have not been provided by October 1st, jersey barriers will be installed, and the cost of installation and removal of the barriers will be the responsibility of the associations.

Discussion of Investment Options

Mr. Peugh announced that Mike Holsum and Ray Pratt from Raymond James were in attendance to discuss investment options. The District is currently receiving a 5.06% interest rate through a PRIME account, however there is concern surrounding recent bank failures.

Mr. Holsum informed the Board that Raymond James is currently offering a program that allows for up to \$50 million to be FDIC insured at a 5% rate. CD's, treasuries, and money market mutual funds are also offered.

Mr. DeGovanni suggested depositing any remaining funds not invested into the program mentioned above into a money market mutual fund that is also paying close to 5%.

On MOTION by Mr. DeGovanni seconded by Mr. Vohs with all in favor transferring 100% of the bridge fund and water/wastewater funds to the program offered by Raymond James was approved.

Mr. Mossing noted a money market mutual fund may not meet the requirements of the District's alternative investment policy. Once an appropriate product is found, the general fund monies and stormwater utility fund monies will be moved from the Wells Fargo account into that product to take advantage of better interest rates.

On MOTION by Mr. Crahan seconded by Mr. Vohs with all in favor, transferring all remaining money for the general fund and stormwater utility fund from the PRIME account and moving it into the Wells Fargo account was approved.

Oasis / Beach Walk / Lennar Homes Development Update

There being no updates, the next item followed.

Discussion of HDOA / County Perpetual Easement

Mr. Peugh informed the Board that he attended a County Commissioner's meeting in which the perpetual easement was discussed, and he believes it will move forward.

B. Stormwater Utility / Reclaimed Flow Discussion

Mr. Peugh detailed properties located outside the District boundaries that flow into the District's stormwater system and asked for the Board's feedback on whether they should be billed stormwater utility fees. The Board's consensus was to bill the Beach Walk community stormwater utility fees.

Regarding reclaimed flow from Palm Coast, CDM is in the process of preparing an engineering design scope of work to increase the size of the 12-inch line.

C. Discussion of Traffic Concerns

At a previous meeting, a board member questioned what effect widening the four-way stop intersection at Camino Del Mar and Hammock Dunes Parkway without adding a traffic signal would have. A consultant has estimated traffic levels would reduce to what they were in 2018, and failure of the intersection would then be estimated for 2041. Widening the intersection today is estimated to cost \$2,000,000. If it were to be done in two phases with the infrastructure being installed under the pavement during the widening and a traffic signal installed at a later date, it is estimated to cost \$2,225,000. It was noted a traffic signal would be much faster at moving traffic during peak times.

The Board directed Mr. Peugh to include engineering costs for the intersection improvements to be done in two phases in the Fiscal Year 2024 budget.

D. Consideration of Resolution 2023-04, Approving a Proposed Budget for Fiscal Year 2024 and Setting a Public Hearing Date for Adoption

A copy of the proposed budget was included in the agenda package for the Board's review.

On MOTION by Mr. Crahan seconded by Mr. Vohs with all in favor Resolution 2023-04, approving a proposed budget for Fiscal Year 2024 and setting a public hearing date for August 11, 2023 at 9:30 a.m. was approved.

Mr. Peugh asked for feedback on the general fund assessments noting they were decreased to \$37.69 last year. To meet the budgetary needs, the assessments would need to increase to at least \$88.

Mr. Laughlin noted that the budget cannot be increased after it is approved. He advised withdrawing the previous motion to allow for changes to be made.

On MOTION by Mr. Crahan seconded by Mr. Vohs with all in favor withdrawing the previous motion to approve Resolution 2023-04, approving a proposed budget for Fiscal Year 2024 and setting a public hearing date for August 11, 2023 at 9:30 a.m. was approved.

An updated budget will be brought back to the June meeting for consideration. Included in that updated version will be a 10% increase the salaries line item and an increase in the 457B matching to 4% that may be reduced at a later date, along with a 20% increase for employee insurance costs.

Mr. Peugh asked the Board if they were amenable to adding Juneteenth and Good Friday to the employee holiday schedule. There were no objections from the Board.

FIFTH ORDER OF BUSINESS

Staff Reports

Attorney

There being nothing to report, the next item followed.

E. Engineer - Report

A copy of the engineer's report was included in the agenda package for the Board's review.

Mr. Peugh informed the Board that CROM will be covering the cost of labor for repairing the leaking potable water ground storage tank to request the tank.

Manager

F. Bridge Report for April

The following was reported to the Board for the month of April:

- Vehicle trips were down approximately one percent, and revenue was up 16% from last year.
- There are about 11,000 loyalty accounts.
- There are about 24,500 bridge pass accounts.
- There are about 12,350 web users.
- Credit card transactions in the booth in the last month totaled \$8,300
- There were around 500 new accounts added this month.

Miscellaneous

Mr. Peugh reminded the Board that at the last meeting Mr. Richard Hamilton requested a trailhead underneath the bridge and provided a set of proposed plans, which include a bathroom. Mr. Hamilton has been told that anything permanent under the bridge is not preferred as repairs will be needed in the future.

G. Additional Budget Items Report

Mr. Peugh informed the Board that a reclaim pump failed at the reclaim station. There is not an estimated cost available at this time.

H. Report on the Number of Registered Voters

Mr. Peugh reported that as of April 15, 2023 there are 2,827 registered voters residing within the District's boundaries.

SIXTH ORDER OF BUSINESS

Financial Reports

- I. Balance Sheet & Income Statement
- J. Assessment Receipts Summary
- K. Approval of Check Register

A copy of the check register totaling \$510,162.73 was included in the agenda package.

On MOTION by Mr. Crahan seconded by Mr. Vohs with all in favor the check register was approved.

SEVENTH ORDER OF BUSINESS Supervisors' Requests and Audience Comments

Mr. Crahan stated that the last page of the budget has the Hammock Dunes pump stations listed, but none of the Ocean Hammock pump stations.

Mr. Peugh clarified that it's not an all-inclusive list, it only contains those anticipated to be replaced in the next few years and the Ocean Hammock pump stations are newer.

Mr. Crahan suggested adding them to the list anyway.

EIGHTH ORDER OF BUSINESS

Next Scheduled Meeting: June 9, 2023 at 9:30 a.m. at the Dunes Administrative Office, 101 Jungle Hut Road, Palm Coast, Florida

NINTH ORDER OF BUSINESS

Adjournment

On MOTION by Mr. Vohs seconded by Mr. Crahan with all in favor the meeting was adjourned.

Secretary/Assistant Secretary	Chairman/Vice Chairman

Dunes CDD

May 12, 2023

RESOLUTION 2023-04

A RESOLUTION APPROVING THE DUNES COMMUNITY DEVELOPMENT DISTRICT'S PROPOSED BUDGETS FOR FISCAL YEAR 2024 AND SETTING A PUBLIC HEARING THEREON PURSUANT TO FLORIDA LAW

WHEREAS, the District Manager has heretofore prepared and submitted to the Board the proposed General Fund Budget and Enterprise Fund Budgets for Fiscal Year 2024; and

WHEREAS, the Board of Supervisors has considered said proposed budgets and desires to set the required public hearing thereon;

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE DUNES COMMUNITY DEVELOPMENT DISTRICT;

- 1. The General Fund Budget and Enterprise Fund Budgets proposed by the District Manager for Fiscal Year 2024 are hereby approved as the basis for conducting a public hearing to adopt said budgets.
- 2. A public hearing on said approved budgets is hereby declared and set for the following date, hour and place:

Date: August 11, 2023 Hour: 9:30 AM

Place: The Dunes CDD's Administrative Office

101 Jungle Hut Road

Palm Coast, FL or Alternately a Zoom meeting if

allowed by a Proclamation by the Governor

Notice of this public hearing shall be published in the manner prescribed in Florida Law.

Adopted this 9th day of June 2023.

George DeGovanni, Chairman	
George DeGovanni, Channian	

Gregory L. Peugh, Secretary

BUDGET HIGHLIGHTS FY 2023

NOTES:

Assessments are the same from last FY.
 Payroll includes an average 5% increase over last FY Budget.

^{3.} See Capital Improvements List.

^{4. #} Health Insurance is now based on a calendar year due to the ACA. We won't get new rates until November. The amount is an estimate of the cost.

^{5. ##} Liability Insurance premium is an estimate, but it should be very close to the final cost.

BUDGET HIGHLIGHTS FY 2023

NOTES:

Payroll includes an average 5% increase over last FY Budget.
 See Capital Improvements List.

^{3.} Transfer
\$0 from W & S Fund Surplus to General Fund per Opinion of Counsel and Grau's letter.

4. # Health Insurance is now based on a calendar year due to the ACA. We won't get new rates until November. The amount is an estimate of the cost.

5. ## Liability Insurance premium is an estimate, but it should be very close to the final cost.

BUDGET HIGHLIGHTS FY 2022

- 1. Revenues based on past FY projections
- 2. Payroll includes at least a 5% increase over last FY Budget.
- 3. Maintenance Reserves based on Engineering and Financial Consultant's recommendation.
- . Transfe

\$0

from Bridge Surplus Account to General Fund.

- 5. # Health Insurance is now based on a calendar year due to the ACA. We won't get new rates until November. The amount is an estimate of the cost.
- 6. ## Liability Insurance premium is an estimate, but it should be very close to the final cost.

Engineer Report

Standby, Emergency Pumps - Lift Station Rehabilitation

Priority 5 Facilities (2021-22): LS-8, Madeira Ct. – CPH Engineers provided an engineering proposal for performance of design and survey related services. Received submittal of engineering plans and provided additional review comments for lift station electrical and piping upgrades. Additional consultant field survey completed 12/1/2022. Received updated plans for Lift Station 8 rehabilitation in early February, comments provided to consultant to include request for LS-8 facility plans be combined with Lift Station 12 (see below) for advertising and bidding a single contract. Provided response to Engineer inquiry regarding replacement piping material. Awaiting final plans.

Priority 6 Facilities (2022-23): LS-12, 128 IE Pkwy Status: CPH Engineers provided an engineering proposal for performance of design and survey related services in the amount of \$33,700 for rehabilitation of the lift station facility. A purchase order was issued to CPH on October 18, 2022, for the scope of work contained in the engineering proposal. Consultant performed initial field survey on 12/1/2022. Received preliminary plans on 1/30/2023 and provided comments. Awaiting receipt of pump computations for selecting proposed pumping system upgrades and input to final plan set to include LS-8 (see above). Provided Engineer with additional pump station information to assist design activity. Nothing new to report

Reclaimed Distribution System North / South Flow Control Project

Staff issued Purchase Order 225750 to consultant (CDM Smith) for design and survey related tasks described in their scope of work dated October 5, 2022. The scope of work includes survey of existing reclaimed infrastructure in areas where existing isolation valves are located for determining best approach for providing automation and controls for isolating the northerly and southerly halves of the reclaimed water distribution system. Nothing new to report as this task order is currently on hold until the reclaimed piping emergency repair and relocation projects are established with known locations prior to configuring automated valves and controls for same.

Reclaimed System - Damage / FEMA/ FDEM Grant Activities

Impacts to the District's 12-inch reclaimed main during Hurricane Nicole were described and forwarded to Flagler County for inclusion with a listing of other county-wide damages being prepared for FEMA consideration.

The Board on January 13, 2023, authorized a Task Order for CDM Smith to perform data collection (survey), engineering design, permitting, funding, and bidding assistance for both repair and relocation phases for the District's 12-inch reclaimed water main. The District has been determined by FEMA as eligible for receipt of

public assistance pending successful grant application completion. The Board, on February 10, 2023, authorized a resolution declaring repair of the 12-inch reclaimed main damaged by Hurricane Nicole an emergency. CDM provided District with preliminary plans for the 12-inch repair project on 2/10/23 and forwarded to FDEP along with a request for permit determination. A Field Permit for Minor Excavation and Utility Repair was issued by FDEP on March 3, 2023. Final Engineering Plans and Request for Quotes packets were completed and forwarded to four qualified and local underground contractors. One quote was received in the amount of \$238,750 from Hazen Construction. A Notice of Award and Purchase Order was issued to the contractor on March 21, 2023. Various project data and information related to the Request for Public Assistance was uploaded to the FEMA Portal and additional information was requested by FEMA for evaluation of DCDD eligibility for public assistance. Upon FEMA review of follow-up information provided by DCDD. FEMA indicated DCDD was determined eligible for public financial assistance. Staff prepared additional subgrant agreement and risk assessment questionnaire for Florida Dept. of Emergency Management (FDEM) review, awaiting feedback and execution of agreement. Staff also successfully registered the Dunes CDD on the U.S. federal government's System for Award Management (SAM) as required for funding initiatives. Staff received 60% Plans set from consultant and held meeting with HDOA to discuss project and easement needs. Currently awaiting feedback from FEMA regarding additional information needed to support project reimbursement.

WTP Ground Storage Tank (GST) Cleaning & Inspection

Staff coordinated draining, cleaning, and inspection of the District's 750,000-gallon GST with the tank manufacturer, CROM LLC, during the week of November 14. Engineering reports were forwarded to FDEP in mid-January. Upon receipt of scope of work and price proposals from CROM and Tnemec coatings in the amount of \$142,765 for recommended repairs, staff has requested meeting with CROM management to discuss ongoing expense for floor/ wall connection coatings work related to previous tank deficiencies and leaking realized during the original construction activity. Discussed ongoing leak membrane replacement cost concerns with CROM Executives. Awaiting revised proposal for budgetary needs assessment and scheduling. Met with CROM President on site May 18 to discuss strategy for further evaluation of tank rehabilitative needs and disposition of tank leakage.

CROM to schedule removal of tank exterior coating on portions of tank for further observation at no charge to Dunes CDD. Findings will determine future rehabilitation strategies.

WTP Bulk Chemical Storage Tank Installation

Guardian Equipment, during the week of 5/22, completed furnish and installation of bulk chemical storage tanks to include scale inhibitor, orthophosphate, calcium chloride, sulfuric acid, and caustic tanks used in the RO treatment process.

Water/ Wastewater/ Stormwater/ CUP Regulatory Activities

The Dunes CDD Public Water System ID #2184259 – Consumer Confidence Report (Annual Water Quality Report 2022) was prepared and forwarded to FDEP for review and acceptance prior to distribution to customers. The draft report provides information and results of specific potable water sampling and testing activities performed throughout the year as required by the Florida Dept. of Environmental Protection (FDEP) and Environmental Protection Agency (EPA). The DCDD received FDEP approval for distribution of the report on April 25, 2023. The report will be mailed to all customers as an attachment to the May billing statement in early June. A subsequent certification of delivery will be prepared by staff and forwarded to FDEP upon completion of distribution to customers. The certification provides confirmation to the FDEP that distribution of the report is in accordance with public notification standards and ensures widest dissemination of the information to our customers.

A triannual industrial wastewater inspection of the Dunes CDD Water Treatment
Plant Reverse Osmosis Concentrate Disposal System was scheduled and
conducted by FDEP and staff on May 9, 2023. The system was inspected for review
of staff performance of operating standards and reporting of various sampling,
analysis, and equipment calibration activities. Currently no feedback has been
received from FDEP regarding the inspection.
