FOURTH ORDER OF BUSINESS

Reports and Discussion Items

Update on Reclaimed Line Replacement

July 14, 2023

Dunes CDD

Mr. Peugh informed the Board the County will be installing sand next to the District's reclaimed line next week. He also reported that staff has met with Porto Mar who has stated that they would be happy to give the District a temporary easement. Lastly, he reported that CDM is working on final drawings for the permanent replacement. Once that is complete, the project can be bid out and proposals brought back to the Board for approval.

Update on Toll Booth Project

Mr. Peugh informed the Board that the toll booth contractor has installed the light pole as requested and all monies have been paid.

Discussion of Capacity Fee Issues for Commercial Accounts

Mr. Peugh reported that the Hammock Beach Resort was under their water consumption capacity allowance last month. Letters have been sent to the commercial accounts that were found to be over capacity.

Stormwater Utility / Reclaimed Flow Discussion

Mr. Peugh informed the Board the storm drain at Cypress Wood was blocked with dirt for unknown reasons and approximately \$11,000 has been spent to clean it out.

Mr. Crahan asked that affected homeowners be notified of easement restrictions.

Mr. Peugh reported on clogging of customers reclaimed filters and irrigation systems on Island Estates. Most of the problem is due to the length of the dead-end line at the furthest southern end of the island. There are two 12-inch lines that loop up to the Clicker Beach (Mariners Drive) entrance after that a single line runs to the very end of Island Estates. In the past that line has had full flow flushing on vacant lots, but due to the building of new homes those lots are not available. An automatic flushing valve was installed in anticipation of this; however, it can only run for five minutes each hour and that does not allow for full flow flushing, which causes build up in the line. Staff is in the process of contacting nearby homeowners to request permission to flush onto their property. Staff have evaluated hyperchlorination of the line as well as the installation of filters. Unfortunately, there is no place to discharge the chlorinated water or the filter backwash.

Discussion of Traffic Concerns

July 14, 2023

Dunes CDD

Mr. Peugh noted that traffic was heavy over the July 4th weekend and there were no backups on the bridge.

B. Discussion of the Fiscal Year 2024 Budget

Mr. Peugh provided an overview of the Fiscal Year 2024 budget, which includes an increase in the maintenance assessments of \$110 per unit for the General Fund. This increase provides for approximately \$32,000 to be set aside for maintenance reserves. The largest increases in the budget are maintenance, salaries and insurance.

Mr. Crahan stated that he would like to get away from transferring from the other funds into the general fund to make the general fund whole. He also requested a memo to the Chairman documenting the change in philosophy to make the General Fund a self-sustaining fund this year.

Mr. DeMatteis asked why the projected column is so high on the bridge fund budget.

Mr. Peugh responded that the formula needs to be corrected.

Mr. Peugh informed the Board he talked to the Department of Transportation about the SunPass system, and they explained the fee per toll by plate transaction would be between eight and fifteen cents per transaction. A study on the system has been budgeted for FY24.

FIFTH ORDER OF BUSINESS

Staff Reports

Attorney

Mr. Chiumento stated that he hopes to have the stormwater interlocal agreement on the County agenda for the first meeting in September, which would grant the CDD the authority to assess the Beach Walk community stormwater fees.

Additionally, he reported that there is a package of documents that have been put together for presentation at the first County meeting in September for the transfer of property at the four-way intersection.

Mr. Peugh informed the Board that a partial payment to the contractor for the reclaimed property fence line project was stolen through a wire transfer due to their account being hacked. The contractor has sent a letter demanding payment and claiming the District was at fault. Mr. Chiumento is investigating the issue. In the future, a physical check will be used to pay all contractors.

July 14, 2023

Dunes CDD

Lastly, Mr. Chiumento reported he is working on a license agreement for Spectrum to install a fiber line in the Granada Area. He has suggested requesting a \$1,500 retainer for counsel to draft the contract to ensure it is a serious inquiry.

C. Engineer - Report

A copy of the engineer's report was included in the agenda package for the Board's review.

Manager

D. Bridge Report for June

Mr. Peugh informed the Board that the bi-annual bridge inspection report has come in and there are no major or imminent failures to report.

Mr. Peugh reported that vehicle trips were up approximately one percent, and revenue was up approximately 16% from June of last year.

Additionally, Mr. Peugh reported there are approximately 25,600 accounts, 11,000 loyalty accounts, 13,000 web users, almost \$10,000 in credit card transactions, and 549 new accounts added this last month.

Discussion on Bridge

Mr. Peugh informed the Board of a meeting the Flagler County Commissioners had in which traffic issues were discussed. During that discussion a comment was made by a commissioner that removing the toll from the Dunes bridge would help reduce traffic problems. Mr. Peugh spoke to the County Administrator who assured him that has not been discussed at the staff or Council Level.

E. Additional Budget Items Report

There being no further additional budget items to report, the next item followed.

SIXTH ORDER OF BUSINESS

Financial Reports

F. Balance Sheet & Income Statement

G. Assessment Receipts Summary

H. Approval of Check Register

A copy of the check register totaling \$713,841.49 was included in the agenda package.

July 14, 2023

Dunes CDD

On MOTION by Mr. Vohs seconded by Mr. DeGovanni with all in favor the check register was approved.

SEVENTH ORDER OF BUSINESS**Supervisors' Requests and Audience Comments**

Mr. Crahan asked if any money is left in the State Board of Administration account, or if it has all been moved.

Mr. Peugh responded that it has all been moved unless there was some interest that was added to the account.

Mr. Crahan asked if Mr. Peugh is satisfied with the structure Raymond James presented and was ultimately executed.

Mr. Peugh responded that it's currently working.

Mr. DeGovanni asked if there is an update on the daily rate.

Mr. Peugh responded that the monthly rate was 5% from May 31st to June 30th and there was only a small amount of interest received due to the funds being moved in the middle of the month.
