MINUTES OF MEETING
DUNES COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Dunes Community Development District was held Friday, November 3, 2023, at 9:30 a.m. at the Dunes Administrative Office, 101 Jungle Hut Road, Palm Coast, Florida.

Present and constituting a quorum were:

George DeGovanni	Chairman
Gary Crahan	Vice Chairman
Dennis Vohs	Treasurer
Kevin Porter	Assistant Secretary
Rich DeMatteis	Assistant Secretary

Also present were:

Greg Peugh	District Manager
Darrin Mossing	District Representative
Michael Chiumento	District Counsel
Mike Holzem	Raymond James

The following is a summary of the discussions and actions taken at the October 13, 2023 meeting.

FIRST ORDER OF BUSINESS

Roll Call

Mr. Mossing called the meeting to order at 9:30 a.m.

SECOND ORDER OF BUSINESS

Minutes

A. Approval of the Minutes of the October 13, 2023 Meeting

Mr. Crahan stated that the minutes do not clearly convey each topic to readers.

The minutes will be revised on page five under miscellaneous items to clarify that a resident felt that one of the District's pipes was causing erosion and it is not the pipe, it is the roadway bank at the entrance to Island Estates that is eroding.

Mr. DeMatteis asked if the discussion on page four of the minutes regarding the four-way intersection is about the piece of property originally obtained, or if it is about the other parcels.

Mr. Peugh responded that there are three parcels at the intersection. The first has been obtained from ITT and is complete and there is no conservation easement on that parcel. The other

parcels are owned by the county and there is a conservation easement over those parcels. The design for the proposed intersection improvements can proceed without those parcels if necessary.

On MOTION by Mr. Vohs seconded by Mr. Crahan with all in favor the minutes of the November 3, 2023 meeting were approved as revised.

THIRD ORDER OF BUSINESS

Audience Comments

There being no audience members present, the next item followed.

FOURTH ORDER OF BUSINESS

Reports and Discussion Items

Investment Presentation by Mike Holzem

Mr. Peugh informed the Board that the balances for the two major funds total around \$9.4 million in the bridge fund and \$3.8 million in the water and sewer fund and those funds are earning around 5% interest currently. The intention is to discuss whether there is a better strategy that the Board would be interested in, such as laddering the funds.

Mr. Holzem presented a CD investment option with a duration of about 2.5 years and a coupon average of around 5.2%. He asked how far out the Board would be interested in going and how much money they would want to invest into that. He noted anything longer than three years with CDs would be callable and nothing would be gained at that point. If the money is needed during the investment period, the CDs can be sold.

Mr. Peugh stated that he would feel comfortable with investing \$4.5 million out of the bridge fund as he does not see anything coming up within the next couple years that would require use of those funds.

Mr. Holzem stated that another option is a structured note in which money is put into a CD and as the money earns interest, that interest is reinvested into options in the stock market resulting in returns that could range from 0% to 135%. The money originally invested is FDIC guaranteed.

Mr. Mossing cautioned that there are limitations on what the District can invest in as a governmental agency. The Board asked him to check with the auditors on whether the structured note would be acceptable.

On MOTION by Mr. DeMatteis seconded by Mr. Crahan with all in favor the proposal from Raymond James for investing \$4.5 million in a CD ladder was approved.

Mr. Crahan asked what the fee base is for Raymond James.

Mr. Holzem responded the interest rates are net of fees.

Mr. DeMatteis stated that a concern is the customer's opinion of the structured note given that it involves the stock market.

More information on the structured note will be provided at a future meeting for further discussion.

Discussion on Stormwater Utility

Mr. Peugh stated that the process to bill the stormwater utility fees to the Beach Walk community via the property tax bills in conjunction with the county is still moving forward. There being no significant updates, the next item followed.

Discussion on Capacity Fee Issues for Commercial Accounts

Mr. Peugh reported that the Hammock Beach Resort was under their water consumption capacity allowance last month. There were 13 other accounts identified as being over their capacity allowance during the 2022 audit. Two accounts are the county, two have since been resolved, one or two have reported leaks they are working to resolve, and four or five need some additional justification for the overage or they will be billed.

Discussion on Bridge and Intersection

Mr. Peugh informed the Board that the kick-off meeting for the design of the four-way intersection improvements is scheduled for November 6th and the toll system integration study is scheduled for November 7th to see if SunPass is feasible.

Mr. Porter asked when the construction might begin.

Mr. Peugh responded that the current plan is to bid the project late summer so that construction can begin in the fall of next year assuming the bids are acceptable.

Update on the Reclaimed Line Replacement

Mr. Peugh informed the Board the final plans for the relocation of the permanent reclaimed line replacement have been completed and the current timeline is to advertise a request for proposals early next week and to review the proposals at the January meeting. It's anticipated the project will be completed around July or August, 2024. He also reported the District was reimbursed almost \$216,000 by FEMA and the State of Florida for the temporary reclaimed line project.

B. Consideration of Resolution 2024-01, Amending the Fiscal Year 2023 General Fund Budget

Mr. Peugh informed the Board that expenditures for the general fund budget were over by around \$11,000 due to expenses related to pest control, maintenance of the front and second gates, and an increase in rates for garbage collection.

Mr. Mossing explained that if the total actual expenditures exceed the total budget in the general fund, the budget must be amended per the Statutes.

On MOTION by Mr. Crahan seconded by Mr. Vohs with all in favor Resolution 2024-01 amending the Fiscal Year 2023 General Fund budget.

FIFTH ORDER OF BUSINESS

Staff Reports

Attorney

There being nothing to report, the next item followed.

C. Engineer - Report

A copy of the engineer's report was included in the agenda package for the Board's review.

Mr. Peugh stated that there have been several complaints from Island Estates residents about the quality of the reclaimed water. The pump stations at the end of the island are not designed to accept backwash from the reclaimed system multiple times per day. Automatic flushing valves were installed on both the potable water and the reclaimed water, however the pump stations on the island cannot take that flow so it can only be ran five minutes per hour. The reclaimed system has been flushed into the sewer system two to three times per week with an employee overseeing and there have been no complaints in the last month or two, so the process seems to be working. SCADA will be installed on the pump stations, which will allow further monitoring and controls

for automatic flushing activities. The estimated cost for this project is around \$15,000/per station. Once more accurate quotes are obtained, they will be brought to the Board for approval.

Manager

Bridge Report for October

Mr. Peugh reported that vehicle trips were down 2.5%, and revenue was up 27% from October of last year. This is due to the hurricane during the September and October timeframe last year in which the tolls were suspended but the treadle was continuing to count vehicle trips.

Additionally, Mr. Peugh reported the following:

- Number of accounts / web users - 26,382 express card accounts and almost 14,000 web users.
- Credit card transactions in the toll booths totaled approximately \$7,400.
- Approximately 377 new accounts were added this last month.

Miscellaneous Items

Mr. Peugh presented an updated draft flyer created to send to residents to inform them of projects the District has completed or has planned for the future in which he added an explanation of what GIS and dollar amounts for each line item referenced as recommended by the Board. The flyer will be mailed out in December.

Mr. Crahan suggested including a brief explanation of the purpose of the flyer.

Mr. Peugh stated that he is still awaiting health care costs for the new year. The current health insurance provider, Humana, will no longer be serving the commercial market so a new provider will need to be selected at the next meeting. A 10-15% increase was anticipated and has been accounted for in the budget.

Next, Mr. Peugh stated that the European Village has requested to use the bridge for an annual fireworks show. The Board was not in favor of allowing the request.

F. Additional Budget Items Report

There being no additional budget items to report, the next item followed.

At the last meeting, Mr. Porter asked if \$30,000 worth of damage to a reclaimed pump station due to a lightning strike is an insurable expense. Mr. Peugh stated that it is, however, the

deductible is currently \$10,000 so he’s considering increasing it to between \$25,000 to \$50,000 to make filing a claim worth the savings.

SIXTH ORDER OF BUSINESS Supervisors’ Requests and Audience Comments

Mr. Crahan stated that the turn arrows for the Discovery gate entrance coming from the south are not as bright as the rest of them.

Mr. Peugh stated that he would look into it and have them repainted if needed.

Mr. Crahan asked what the status is on the payment to the fence contractor that was fraudulently intercepted.

Mr. Peugh responded that the contractor has threatened to remove the fence multiple times, but it is still in place, and he has not heard anything further.

Mr. Crahan commended Mr. Peugh on the landscaping and stated that there is a lot of invasive vines coming out of the tree line from the western side of the Hotel Trace entrance.

Mr. Peugh stated that he would have the landscaping contractor look at that. He also noted that the entrance to Osprey Way will be trimmed back to create a better line of sight at the request of the HOA.

Mr. DeMatteis stated that when you come down off the bridge, the trees at the northwest corner are covered by invasive vines.

Mr. Peugh stated that those will be taken care of during the four way stop construction.

Mr. Peugh added that there is a streetlight at the corner of 16th Street and Hammock Dunes Parkway that is owned by the District, along with the lights back to the south. Someone has rewired the streetlight at the corner into the 16th Street lights and then cut the lights to the south. Everything has been rewired and the lights are now working.

SEVENTH ORDER OF BUSINESS Financial Reports

E. Balance Sheet & Income Statement

F. Assessment Receipts Summary

G. Approval of Check Register

Copies of the financial statements as of September 30, 2023 were included in the agenda package for the Board’s review along with a copy of the check register totaling \$309,654.03.

On MOTION by Mr. Vohs seconded by Mr. Crahan with all in favor the check register was approved.

EIGHTH ORDER OF BUSINESS

Next Scheduled Meeting: December 8, 2023 at 9:30 a.m. at the Dunes Administrative Office, 101 Jungle Hut Road, Palm Coast, Florida

NINTH ORDER OF BUSINESS

Adjournment

The meeting was adjourned at approximately 10:56 a.m.

Secretary/Assistant Secretary

Chairman/Vice Chairman

B.

- Engineer Report

Standby, Emergency Pumps – Lift Station Rehabilitation

Priority 5 Facilities (2021-22): LS-8, Madeira Ct. – CPH Engineers provided an engineering proposal for performance of design and survey related services. Received submittal of engineering plans and provided additional review comments for lift station electrical and piping upgrades. LS-8 facility plans are combined with Lift Station 12 (see below) for advertising and bidding purposes.

Priority 6 Facilities (2022-23): LS-12, 128 IE Pkwy Status: CPH Engineers provided an engineering proposal for performance of design and survey related services in the amount of \$33,700 for rehabilitation of the lift station facility. A purchase order was issued to CPH on October 18, 2022, for the scope of work contained in the engineering proposal. Consultant performed initial field survey on 12/1/2022. Received preliminary plans on 1/30/2023 and provided comments. Received pump computations for evaluating available pumping system upgrades and selected pump desired for input to final plan set. Received final plans and provided comments. Received draft specifications for review – underway. Received pump equipment and control panel pricing from pump manufacturer in the amount of \$120,000 for purchase of sole source equipment with purchase orders issued. Revising plans and bid documents for updated scope of work to include owner-provided equipment. Awaiting engineer estimate of cost for installation of purchased equipment and additional contractor performed project improvements. Received shop drawings for pump and panel equipment from manufacturer – currently under review. Awaiting final plans, specifications, and shop drawing review comments from consultant.

Reclaimed System – Damage / FEMA/ FDEM Grant Activities

The Board on January 13, 2023, authorized a Task Order for CDM Smith to perform data collection (survey), engineering design, permitting, funding, and bidding assistance for both repair and relocation phases for the District's 12-inch reclaimed water main damaged during Hurricane Nicole. FEMA confirms the District is eligible for receipt of public assistance pending successful grant application completion. The Board, on February 10, 2023, authorized a resolution declaring repair of the 12-inch reclaimed main damaged by Hurricane Nicole an emergency. Final Engineering Plans and Request for Quotes packets were completed and forwarded to four qualified local underground contractors. One quote was received in the amount of \$238,750 from Hazen Construction. A Notice of Award and Purchase Order was issued to the contractor on March 21, 2023. Upon FEMA review of follow-up information provided by DCDD, FEMA indicated DCDD was eligible for public financial assistance.

Staff prepared additional subgrant agreement and risk assessment questionnaire for Florida Dept. of Emergency Management (FDEM) review and execution. Staff also

successfully registered the Dunes CDD on the U.S. federal government's System for Award Management (SAM) as required for funding initiatives.

Staff held meetings with HDOA, HDGC, and Porto Mar HOA to discuss project configuration and easement needs. Staff forwarded FEMA project construction estimate prepared by consultant for a requested rebuild-in-original-location scenario for project mitigation funding considerations. Executed Subgrant Agreement received by the Governor's authorized representative on July 20, 2023. Staff and CDM Smith responded to an RFI received from the Consolidated Resource Center (CRC) requesting engineering certifications for both estimates for the relocation project and in-kind replacement alternative. FDEP issued notice of permit revision on 9/8/23 for the reclaimed main relocation project. Received FEMA notice in October 2023 that our project has been assigned to a new Program Delivery Manager. The permanent resiliency (relocation) project is currently being processed by the CRC and is in the mitigation phase. Received reimbursement payments from State of Florida totaling \$215,820.88 (or 87.5%) for Emergency Protective Measure Project. Project was publicly advertised Nov. 9, 2023, with deadline for receipt of bids due on Dec. 14, 2023. A Pre-bid Meeting was held on Nov. 21, 2023. Addendum No. 1 is being prepared in response to bidder inquiries.

WTP Ground Storage Tank (GST) Cleaning & Inspection

Staff coordinated draining, cleaning, and inspection of the District's 750,000-gallon GST with the tank manufacturer, CROM LLC, during the week of November 14. Engineering reports were forwarded to FDEP in mid-January. Upon receipt of scope of work and price proposals from CROM and Tnemec coatings in the amount of \$142,765 for recommended repairs, staff has requested meeting with CROM management to discuss ongoing expenses related to previous tank deficiencies noted during the original construction activity. CROM removed tank exterior coating on portions of tank on July 15 to assist further observation of leaking. Field observations reveal approximately six (6) locations where tank is leaking. Repairs were performed as scheduled between August 14 - 27, 2023 along with activation of our potable water interconnection with Palm Coast. Tank was disinfected by Contractor on August 28 and staff flushed and sampled tank and returned to operation upon attaining appropriate bacteriological clearance. Additional exterior leak repair tank injections were performed during the week of October 16 and further assessment is underway for consideration of any further needs prior to scheduling remaining tank exterior coating activities. Nothing new to report.

Water/ Wastewater/ Stormwater/ CUP Regulatory Activities

Staff received Request for Additional Information (RAI) from FDEP on August 18, 2023, for the District permit renewal application and supporting documents. Staff and

consultant (CPH) preparing necessary responses to five (5) minor information requests identified in FDEP's RAI which are due no later than November 16, 2023. Staff completed and forwarded to FDEP all RAI response items, to include outstanding groundwater sampling results for MW-13, on November 15, 2023 - currently awaiting receipt of confirmation of permit renewal from FDEP.

Staff submitted FDEP 2023 Annual Reuse Report to both FDEP and SJRWMD agencies as required by the District's Wastewater Treatment Facility Permit. Staff received confirmation of FDEP acceptance of the report on November 27, 2023. The annual report data includes, not only effluent reclaimed water flow values, but other system demographic features to include the DCDD's rate structure, summary of public customer notification activities, inspection activities and inventory of reuse storage facilities. The Dunes CDD reclaimed water system delivered approximately 2.23 million gallons per day (MGD) to serve 1,332 single family residences, 2 golf courses and various multi-family facilities located within the District's service area during the 2023 annual period.

Staff uploaded SJRWMD Water Quality Report (EN 7) results of semi-annual sampling of raw water wells performed in October as required by the DCDD's consumptive use permit.
